

## Provincial PA Day - Friday, April 24, 2020 Agenda

This Friday's Provincial PA Day focuses on Special Education and Autism in particular. Given this focus, professional learning for all PVNC staff will be self-directed, differentiated, and while taking place during the day, asynchronous.

Liturgy of the Word

Staff may choose from the following options:

---

### **Option A: Geneva Centre for Autism Introduction/Refresher on ASD**

This course offers an introduction to supporting students living with Autism within the learning environment. It is a great tool for any educator looking to better understand ASD.

### **Option B: Self-Directed Learning**

Staff can select from a variety of the following self-directed learning sites to continue pursuing learning in their area of focus.

Self Directed Learning Topics	
ASD in the Early Years	Autism Navigator
Mehrit Centre	Self regulation/Zones of Regulation
Social Skill Development	You are a Social Detective - Social Thinking
Mental Health and ASD	Relevant resources
Advanced Learning in ASD	Autism Internet Modules
Practical Learning Resources	Special Education List of Resources
